The San Bernardino County Sheriff operates four Type II detention facilities with a total maximum inmate capacity of 6,013. West Valley Detention Center, Central Detention Center, and Adelanto Detention Center houses pre-trial inmates and the Glen Helen Rehabilitation Center houses persons sentenced to serve time in a County facility.

On April 4, 2011, the Governor of California signed Assembly Bill 109, the Public Safety Realignment Act, which created a significant change to the California correctional system. This law, which became effective on October 1, 2011, transferred responsibility for housing/supervising inmate and parolee populations classified as low-level offenders from the California Department of Corrections and Rehabilitation (CDCR) to counties. AB 109 allows newly sentenced low-level offenders to serve their sentence in a county jail facility rather than the state prison system.

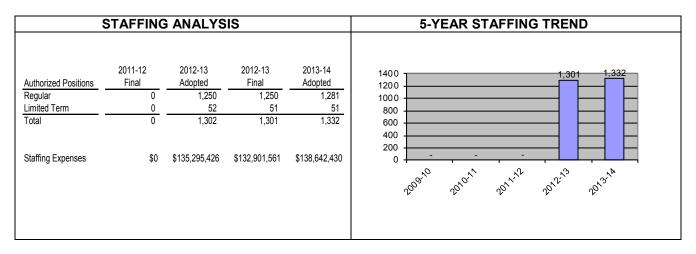

Construction of the Adelanto Detention Center expansion project is underway and is expected to be completed in 2014. This project will add 1,392 beds to the Department's total capacity, increasing the amount of total beds to 7,405.

MAJOR EXPENDITURES AND REVENUE IN 2013-14 ADOPTED BUDGET

Total expenditure authority of \$163.5 million represents the cost to staff and operate the County's four detention facilities. This includes costs of the food services division that serves approximately 19,200 meals each day, the health services division that is responsible for providing healthcare to over 6,000 inmates, and the transportation detail that transports over 286,000 inmates annually primarily for court appearances. The most significant sources of revenue for this budget unit are as follows:

- \$108.9 million of Discretionary General Funding (Net County Cost)
- \$ 28.4 million in Realignment funding (AB 109 Public Safety Realignment)
- \$ 10.9 million from the U.S. Marshal for housing federal inmates
- \$ 4.9 million received from the Inmate Welfare Fund
- \$ 2.8 million reimbursement from the Local Detention Facility Revenue Fund

- \$ 2.2 million from charging inmates for participating in the Electronic Monitoring Program
- \$ 1.5 million from charging inmates participating in the Work Release Program
- \$ 1.0 million from the U.S. Department of Justice, State Criminal Alien Assistance Program (SCAAP)

BUDGET CHANGES AND OPERATIONAL IMPACT

The largest impact to this budget unit for 2013-14 is from the additional \$3.3 million anticipated in AB 109 Public Safety Realignment funding, of which \$1.1 million will be used for additional staffing to improve monitoring of inmates participating in the Electronic Monitoring Program. \$2.2 million will be used for additional staffing and other operational costs in the Health Services Division, which has been greatly impacted by the implementation of AB 109 due to the increased length of stay of inmates with significant health issues. In addition, transfer of expenditures and Discretionary General Funding (Net County Cost) for the net amount of \$5.4 million from the Sheriff/Coroner/Public Administrator budget unit is reflected in this budget unit for proper recording of County risk management and facilities costs in the rightful budget unit where the expenditures are incurred. Furthermore, an increase of \$1.3 million reimbursement from Inmate Welfare is due to additional positions approved by the Inmate Welfare Board, as detailed below. Finally, the Department has seen reduced revenue associated with State Criminal Alien and Assistance Program and U.S. Marshall funding totaling \$2.86 million, which was offset by additional Discretionary General Funding (Net County Cost).

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$138.6 million fund 1,332 budgeted positions of which 1,281 are regular positions and 51 are limited term positions. The Department included a net 31 additional positions to the budget as follows: 10 additional AB 109 funded positions (5 Deputy Sheriffs and 5 Sheriff's Custody Specialist) are allocated to the Electronic Monitoring Program to improve monitoring of inmates participating in the program: 13 additional AB 109 funded positions (5 Deputy Sheriffs assigned to Medical Transportation, 4 Correctional Nurse II and 4 Licensed Vocational Nurse-Corrections) are allocated to the Health Services Division, which has been greatly impacted by the implementation of AB 109, and 8 Inmate Welfare funded positions (1 Captain, 3 Alcohol & Drug Counselors, 3 Social Worker II, and 1 Contract Culinary Instructor) are per approval by the Inmate Welfare Board. Additionally, 1 regular position (Accountant II) was transferred to the Sheriff/Coroner/Public Administrator budget unit, which was offset by the increase of one additional employee that is job sharing a Sheriff's Custody Assistant position.
